

Dear Parents/Guardians:

We are very excited to be able to offer after school athletic opportunities for our students and we look forward to a great year showing our Patriots spirit at all of the upcoming events. In order to ensure success of our teams, here is some important information you should know:

- 1) The primary goal of Pineapple Cove Classical Academy is the education of our students. We are glad to offer athletics as a secondary goal to enhance our student's learning. However, grades are of the utmost importance. Should the school administration feel that a student's learning is suffering as a result of participation in any athletic program, that student will be suspended until grades are returned to an acceptable level.
- 2) All coaches are volunteers and have been gracious enough to give their time to our students and families. It is imperative that we are respectful of their time with regard to dropping players off at practice/games and picking them up on time. Should tardiness become an ongoing issue, the player will no longer be permitted to attend that sport program and monetary fees will not be refunded.
- 3) In the event that practice for any sport does not start immediately after dismissal, it is the parent's/guardian's responsibility to make arrangements with after-care or pick the child up at dismissal and bring them back later for practice. Students may not be left unaccompanied on school grounds.
- 4) Practices are for players and coaches only. If a parent/guardian wishes to assist with practice or games, that person will need to be cleared by the school as a registered (fingerprinted) volunteer. In addition, siblings that are not part of the team, are not allowed to participate in any practices or games. It is the coach's right to designate a practice as a "closed practice".
- 5) Commitment and participation are key to any successful sports program. Should your child be unable to attend either a practice or a game, please notify your coach or Ms. Ball immediately. This will ensure that the proper arrangements can be made to best handle any situations that might arise such as needing to cancel games or practices without inconveniencing others who may be involved in the scheduling process.
- 6) Should any issues arise with coaches, players, referees or participants from other schools, please direct all concerns to administration or Ms. Ball. Situations can occur where the heat of the moment may cause one to react instantly but it is best if you notify the school to handle any problems that may arise.
- 7) It is helpful if one or two parents can assist the coach with various jobs such as: party coordinator, communication (contacting everyone else via phone, email, text with changes to schedule, etc.), snack coordinator, and team photographer. Please notify the coach if you are willing to assist with any of these jobs. Remember, those hours can be counted for volunteer hours.

We are grateful that you have chosen to participate in the Patriots Sports Program and hope that you and your child have a wonderful experience.
