In anticipation of the Accreditation Engagement Review, please carefully review the *Report of Readiness for Accreditation*. The timeline for accreditation will be different for each institution, but the timeframe can range from 6 to 24 months.

The purpose of the Engagement Review is to provide powerful insights and feedback to enhance your institution's improvement efforts. The Engagement Review Team will:

2. Assess the levels of impact of your institution's improvement process.
3. Review and evaluate data related to student performance, stakeholder perceptions and activities, and organizational effectiveness.

We offer a comprehensive system of aligned, interrelated resources designed to help with your accreditation journey, available via the [Cognia Improvement Network](#) and we encourage you to utilize the tools available through [eProve™ myJourney™](#).

As you engage and prepare to welcome the Engagement Review Team to your community, we also encourage you and your esteemed faculty to serve as a [Cognia Accreditation Engagement Review Team Member](#).
