

How to Search for Courses using the Class Schedule Search Tool

The screenshot shows a search interface for credit courses. At the top, there are tabs for 'CREDIT' and 'NON-CREDIT'. Below this is the heading 'Search Credit Courses:' followed by the instruction 'Select one or more fields to narrow your search options.' The form includes several input fields and dropdown menus: 'Keyword Search' (with a text box and instructions), 'Term' (with a dropdown menu showing 'Summer Term - 2022 - All classes'), 'Course Prefix' (with a dropdown menu), 'Course Number or CRN' (with a text box), 'Instructor's Last Name' (with a text box and 'Search' button), 'Location/Campus' (with a dropdown menu showing 'All Locations'), 'Course Type' (with a dropdown menu showing 'All Courses'), 'Days' (with a dropdown menu showing 'Any Days'), and 'Start Time Between' (with two 'Any' dropdowns and 'Select' buttons). A 'SUBMIT SEARCH' button is located at the bottom of the form. Below the button is a scrollable area for search results.

Select desired campus location from drop down menu. Choose "Online" to view online courses only.

Select a term from the drop down menu
Example: Fall Term-2022-16 week

Select Course Prefix from the drop down menu
Example: ENC to view English Composition classes

Enter Course Number
Example: Enter 1101 to view Composition 1

Select Submit Search to view output
